30,000 sf Indoor Archery Range.

Now located in Plano, **Texas Archery Academy** offers memberships to the premier facility in this area for archery instruction, practice and competition.

Texas Archery Academy (TXAA) provides structured archery training programs statewide, for all ages and levels, at a network of convenient, safe practice facilities including our new TXAA State Archery Training Center in Plano, Texas. These programs build upon introductory archery experiences throughout the state (such as NASP, Outdoor Adventures, BSA, 4H). TXAA is focused on continuing youth development and achievement in the sport of archery.
